Pray the Rosary Daily

"Daily recitation of the rosary in the family was once widespread. How worthwhile would such a practice be today! Mary's rosary removes the seed of family breakup; it is the sure bond of communion and peace."

Saint John Paul II

A family of 5 – the 3 children all under 11 – are expected to arrive from Ukraine shortly to live in Port St. Mary sponsored by Barbara and Brendan O'Friel. The family lived in Kyiv and are currently in Warsaw awaiting visas.

Offers of support for the family will be very welcome – please give Barbara and Brendan a call on 833636.

Repairs Books We now have a book in each church where you can write down any maintenance issues you might notice such as repairs or things needing replacing. They can be found at the back of the church at Saint Mary's and in the kitchen at Saint Columba's. They will be reviewed weekly and hopefully we can keep things looking good. If anything needs doing urgently, the appropriate contact details are on the front of each book.

Island Spirituality Network : Saturday, May 14th, St. John's Mill

ISN invite you to a morning with Dr. David Smith, a spiritual writer speaking from 10 a.m. – 1 p.m. on the theme of '*The costly loss of Lament in contemporary Christianity*', linking with the cries of need and devastation in Ukraine today. All are welcome.
