The speaker will be Dr. David Smith whose themes will be "The costly loss of lament in contemporary Christianity". In his most recent book, *Stumbling toward Zion*, David reclaims the importance of lament throughout Scripture and encourages us to re-engage with biblical lament, rediscover neglected aspects of Christian faith and reawaken to God's heart for a suffering world.

## **Vatican News Bites**

Pope Francis has said that he will not visit Ukraine at the moment, but he would like to meet Vladimir Putin in Moscow if the Russian president is willing. In an [interview](#) with the Italian newspaper Corriere della Sera, published May 3, the pope said that he asked Secretary of State Cardinal Pietro Parolin about 20 days into the Russia-Ukraine war to convey the message to Putin that he was willing to meet him in Moscow. "We have not yet had a response and we are still insisting, even if I fear that Putin cannot and does not want to have this meeting at this time," he said. Francis also said that "for now, I will not go to Kyiv," noting that he had sent [Cardinal Michael Czerny](#) and [Cardinal Konrad Krajewski](#) as his envoys.

Pope Francis' prayer intention for the month of May is that young people will follow the example of the Virgin Mary and live a faith-filled life. "Let us pray, brothers and sisters, so that all young people, called to live life to the fullest, may discover in Mary's life the way to listen, the depth of discernment, the courage of faith, and dedication to service," he said in his [video](#) for May 2022.
