June 19th. Day for Life is the day set aside in our calendar to celebrate life from conception to natural death. This year our focus is on caring for and valuing the elderly.

"The little ones learn the poer of tenderness and respect for fraility; irreplaceable lessons that are easier to impart and receive with grandparents. For their part, grandparents learn that tenderness and fraility are not solely signs of decline: young people they are conditions that humanize the future" Pope Francis, Catechesis on Old Age. LaudatoSi.

The funeral of Bob Stabler is to take place at Douglas Crematorium on June 22nd at 1130am.

The Journey to 2030. "The Earth, our Home, is beginning to look more and more like an immense pile of filth. Many things have to change course. But it is we human beings above all who need to change. A great Cultural, Spiritual and Educational challenge stands before us, and it will demand that we set out on the path of renewal" Pope Francis, Laudato Si
