### Weekly Newsletter

Please take one home so you have the readings for the following week and you can reflect on the Sunday readings.

### Suggestion Box

This is in the Narthex. Pen and paper always available. Think about your Church, your Parish. What would you like to see happen in the Parish? What events would you like to participate in? Do you have questions you would like answered, any concerns about your faith? It would be great if you would put your name on the paper, but it can be anonymous if you prefer.
