Peel - SVP at St Patrick's

Corrie , Paul , June, Peter and Verity are hopeful of welcoming some new members to our parish' s Saint Vincent de Paul Society . Please consider joining them. The SVP has been in existence for 180 years in England and Wales and is still a very relevant charity today in the 21st century . It has reached out to those in need in the past and in the present during constantly changing times. The Isle of Man is small but our Society does help some of those in need in our local community. **Please consider joining us.**

Pope Francis' latest prayer intention has been that the dignity and worth of women be recognised throughout the world.

"In many parts of the world, women are treated like the first thing to get rid of," Pope Francis said "There are countries where women are forbidden to access aid, open a business, or go to school," he said, adding: "In these places, they are subject to laws that make them dress a certain way. And in many countries, genital mutilation is still practiced." He urged the world to "not deprive women of their voice. Let us not rob all these abused women of their voice. They are exploited, marginalised." The Holy Father pointed out that "in theory, we all agree that men and women have the same dignity as persons. But this does not play out in practice. Governments need to commit to eliminate discriminatory laws everywhere and to work toward guaranteeing women's human rights," Francis said.

"Let us respect women. Let us respect their dignity, their basic rights. And if we don't, our society will not progress."

He concluded with a prayer: "Let us pray that the dignity and worth of women be recognised in every culture, and for an end to the discrimination they face in various parts of the world."
