Pope Leo XIV's prayer intention for the month of November is for the prevention of suicide. "Let us pray that those who are struggling with suicidal thoughts might find the support, care, and love they need in their community and be open to the beauty of life."

Lord Jesus,

You who invite the weary and burdened
to come to you and rest in your heart,
we ask you this month for all the people
who live in darkness and despair,
especially for those struggling
with suicidal thoughts.

May they always find a community
that welcomes them, listens to them, and accompanies them.

Give all of us an attentive and compassionate heart,
capable of offering comfort and support,
also with the necessary professional help.

May we know how to be close with respect and tenderness,
helping to heal wounds, build bonds, and open horizons.

Together may we rediscover that life is a gift,
that there is still beauty and meaning,
even in the midst of pain and suffering.

We are well aware that those who follow you
are also vulnerable to sadness without hope.

We ask you to always make us feel your love
so that, through your closeness to us,

we can recognise and proclaim to all the infinite love of the Father
who leads us by the hand to renew our trust in the life you give us. **Amen.**

Please feel free to take this bulletin away with you.
