### **PLEASE CLOSE THE DOOR**

To keep our Church warm and to save energy and money please close the outer doors after you. If the doors continue to be left open we will have no option but to turn **off** the heating. Thank you.

Prayer of the Faithful: Lord, in your mercy,  
Response: **hear our prayer.**

**Please turn OFF your mobile phone when entering the Church. Thank you.**

Parish Priest: Fr. Brian O Mahony, CSSp,  
Thie yn Taggyrt, Queen's Promenade, Ramsey, IM8 4BH

## Ramsey

### Volunteers.

We are looking for volunteers to offer their time, talents and commitment to assist in the running of our church.

Whether it be an hour a week or month; any amount of time would be much appreciated.

Can you help with any of the following?

- Cleaning of the church
- laundering of the altar cloths
- D.I.Y. jobs
- cleaning of the altar brasses
- photocopying
- welcoming at Sunday Mass
- coffee/refreshments after Sunday Mass
- 'Little Church' - Monday, 4.00pm.

If you can help with any of the above, please contact  
Kate ( 410770) or Niamh ( 466072).

### **Island Spirituality Network**

Saturday 14th February. St. John's Mill, 10am - 1pm

**Revd Professor David Wilkinson of Durham University**

An astrophysicist, theologian and Methodist minister his theme for the morning will be  
**How does God act in the world? Science, miracles and mission.**

David holds PhDs in both Theoretical Astrophysics and Systematic Theology and served a Principal of St. John's College, University of Durham for seven years before accepting the invitation to become Director of ECLAS in 2023 (Equipping Christian Leadership on an Age of Science), an international project based at St. John's College. ECLAS seeks to affirm the work of faithful scientists and all who bring their vocation in science to the Church, both as members and active friends of congregations. EC:AS, along with the Church of England and policy advisers, has also renewed calls for a national conversation on the impact of artificial intelligence on the world of work, warning that rapid technological change raises profound questions.

He will be a familiar voice to those who listen to BBC Radio 4's Thought of the Day as he travels widely to speak and broadcast on the relationship of science and faith.

He has written and co-authored several books and is in high demand worldwide as a speaker.

Suggested donation is £10 but is entirely voluntary.

*Please feel free to take this bulletin away with you.*
